

West Hawaii Central Office 2023 Member Fun Activity Survey

Aloha Fellow Members!

July 31, 2023

We have been getting back into regular activities post Covid. We know that we are not a glum lot and like to gather for fun, fellowship, and activities! We have had several annual events in the past. Now we would like to find out YOUR interests and what type of events you would like to see in our future!

Please spread the word and if you have an idea (in person or virtual) that you would like presented to Central office.

Please complete the event proposal on the reverse side of this survey
Be a volunteer share your skills and talents such as musician, artist, or educator!
All questions, ideas, or comments are welcome!

Mahalo,

Jeffrey W., Activities Chair
